

Our mission is to create connections, empowering everyone in the Autism community with the resources needed to live fully.

Our vision is to create a world where everyone in the Autism community is connected to the support they need, when they need it.

Autism Society

101 The connection is you.™

Founded in 1965, the Autism Society is the nation's leading grassroots Autism organization representing people with Autism and their families.

Our network annually supports **over half a million people.**

34k people attended support groups across the country.

204k+ people attended affiliate events across the country. This support allows affiliates to connect with more members of the Autism community.

Our network fielded over **133k phone calls, emails and support inquiries.**

Five core services: advocacy, education, information and referrals, support, and community.

Approximately 70 affiliates across 33 states.

1.2 million people visited the Autism Society of America website for information, resources, and community supports.

Successfully engaged advocates to send 600+ letters to Congress to take action to ban electric shock devices.

Get connected to the support you need, when you need it.

Everyone deserves to live fully. At the core of the Autism Society's work is our goal to influence meaningful change in support of the Autism community.
